ABOUT ME

With over seven years of experience as a Web Developer and Voice Actor, I am currently expanding my expertise by studying Cybersecurity. This strategic move is enhancing my skill set and marking a deliberate transition into the Cybersecurity industry, which I have identified as the ideal direction for my career path. My diverse background equips me with a unique blend of technical acumen and creative flair, setting the stage for a dynamic and impactful presence in the realm of digital security.

WORK EXPERIENCE

FIVERR
Raipur
Mar 2018 - Sep 2019

Web Developer

Worked as a professional web developer.

- Developed user-friendly interfaces with HTML, CSS, and JavaScript ensuring cross-browser compatibility and responsiveness.
- Managed version control and collaborative development using Git and GitHub workflows.
- Utilized SQL or NoSQL databases to store, retrieve, and manipulate data efficiently.

FIVERR
Raipur
Nov 2019 - Present

Voice Actor

- Provided versatile voice-over performances for a diverse range of audio productions, including audiobooks, documentaries, animated characters, and commercial advertisements.
- Collaborated with authors, directors, and producers to bring written content to life through expressive and dynamic vocal interpretations.
- Received positive feedback from clients for ability to convey emotion and narrative effectively, enhancing the listener's experience.

EDUCATION
